SUBMISSION OF SUBSTITUTE DECLARATION

Honorable Commissioner of Patents
Washington, D.C. 20231

S i r :

On September 24, 2001, we filed a response to the notice to file missing parts mailed June 22, 2001. This response paid the fee for a one month extension of time, extending the deadline to Saturday, September 22 (which by virtue of the "weekend" rule "rolled" to September 24).

We have since discovered that the declaration filed with that response has an erroneous second page (belonging with a declaration in another case with the same filing date and same first inventor).

The correct declaration for this case is enclosed herewith.

If a further extension of time is required for this submission to be entered, applicant requests that this be considered a petition therefor. Please charge any additional fee which may be required to Deposit Account 02-4035.

Respectfully submitted,
